RE: Mr. Joseph P. McGillian  
Commercial Utility Consultants  
1556 McDaniel Drive  
Westtown Business Center  
West Chester, PA 19380

### TO WHOM IT MAY CONCERN:

Dunwoody Village has been associated with Commercial Utility Consultants for more than five years. Our relationship has been quite fruitful for both parties. Mr. McGillian and his company have saved Dunwoody Village in excess of \$350,000 over the course of our contract. After consideration of the payment of the 50% fee to Commercial Utility Consultants, Dunwoody Village has realized savings of close to \$180,000.

Dunwoody Village management is more than pleased with excellent suggestions made by Commercial Utility which have resulted in refunds and/or lower utility bills for our valued residents. If you have any further questions regarding this recommendation letter, please feel free to contact me directly at (610) 359-4426.

Sincerely,

Robert L. Supper  
Vice President of Operations and Finance
