Commercial Utility Consultants, Inc.

West Chester, PA 19380

Dear Joe:

I want to thank you for your efforts on behalf of Jet Plastica Industries, Inc. Without the assistance of Commercial Utility Consultants, we could not have achieved the reductions in our utility billings that we are currently enjoying. Savings for the six-year period of our association have totaled an amount approaching \$2.5 million. In addition, we continue to enjoy savings of more than \$400 thousand per year on our electric bills as a result of the efforts of Commercial Utility Consultants.

Despite having fulfilled our financial obligation to Commercial Utility Consultants, we continue to value our relationship with your firm. Your advice and counsel on energy related matters has remained on-going, despite the completion of our savings generated payments to you. As opposed to most "contingency fee" firms, your support of Jet Plastica did not end with our final payment.

Thanks again for your efforts on our behalf.

Sincerely,

A handwritten signature in cursive script that reads 'Charles A. Brown'.
