Dear John:

I wish to take this opportunity to thank you for your efforts on behalf of the Wissahickon School District. The refund and credit from PECO totaling in excess of \$130,000 would not have been possible without the expertise and determination of the employees of your company. CUC's shared savings arrangement makes it a truly win-win situation for all involved.

I would give your organization a recommendation to anyone who is interested. Thanks again for your efforts in representing our School District.

Sincerely,

Ronald M. Saurman
Director of Buildings & Grounds
